

Invest in the lands that define us

Become a Business Supporter today

Your support of local
land conservation is good
for your community, good for the
landscape, and good for your business.

Visibility

Connect with our extensive network of supporters via our monthly email newsletter, across multiple social media platforms, in our print newsletter, and at special events and programming

Community Connection

Take advantage of special corporate philanthropy days on our conserved properties and give your employees the opportunity to celebrate philanthropy in the workplace.

Customer Care

Your support shows your customers and employees that you are committed to sustaining vital working lands, open space, plant and wildlife habitat, and our rural heritage and history.

Long-term Impact

Your investment will impact people across our region not just today, but for generations to come through the power of permanent land protection.

*Your business partnership is an investment for
today, for tomorrow, and forever.*

The health of our local economy is reflected in the health of the natural landscapes that surround us. As a Business Supporter of Palouse Land Trust, you invest in the iconic landscapes, healthy wildlife and fish habitat, working farms and forests, and opportunities for outdoor recreation that make our region a wonderful, vibrant place to live.

Your support safeguards the heritage and values that make this a wonderful place to work and do business.

**All benefits last for one year from the date of your first gift*

Jaime Jovanovich-Walker,
Community Outreach Coordinator

Palouse Land Trust works with local families and community partners to ensure that ample open space and opportunities for hiking, fishing, hunting, and birding will be available for future generations and that the region's most productive farms and forests, most beautiful scenic areas, and most vital wildlife habitat will be here for our children and grandchildren to enjoy.

We help families identify the best conservation solutions to help achieve their vision for the land and for their community. Utilizing voluntary conservation agreements, we ensure that the lands we cherish will endure and thrive not just in the near-term, but *forever*.

**Becoming a Business Supporter
of Palouse Land Trust is a tax-
deductible and meaningful way
to invest in the future of the
communities you serve.**
